THE SPIRIT OF TAG

TAG Aviation has been redefining private aviation for 6 decades, trusted worldwide for our expertise, precision, and personal service. Guided by our values, we deliver excellence in every journey.

- **Safety first** – the foundation of everything we do.
- **Swiss precision** – attention to detail at every stage.
- **Global reach** – main bases in Europe and Asia, with worldwide operations.
- **Bespoke service** – every client, every aircraft, every journey.

Our culture of safety, passion, integrity, respect, innovation, and teamwork ensures we remain at the forefront of business aviation.

INTEGRATED PRIVATE AVIATION SERVICES

TAG Aviation offers a complete portfolio of private aviation solutions. From aircraft management to global charter, with training to FBO facilities, we provide a seamless experience under one trusted name.

- **60 years of expertise** – in every aspect of private aviation.
- **Global Presence** – from teams in Europe and Asia.
- **A seamless journey** – unparalleled service in the sky and on the ground.

With TAG, clients benefit from transparency, flexibility, and discretion. Ensuring every detail is handled with confidence.

AIRCRAFT MANAGEMENT

Since 1966, TAG has been entrusted by owners worldwide to manage, operate, and maintain their aircraft. Our bespoke solutions deliver value, while ensuring safety and peace of mind.

- **Turnkey service** – from crew recruitment to flight planning.
- **Bespoke solutions** – tailored to each owner's requirements.
- **Cost efficiency** – transparent reporting and optimisation.
- **Uncompromising approach** – to safety and security.

With TAG, you enjoy all the benefits of ownership while we handle the complexity.

CHARTER

Chartering with TAG is more than just flying. It's about experiencing private aviation at its best. Our diverse fleet, global expertise, and discreet service ensure every journey is seamless.

- **Worldwide network** – access to destinations and services across the globe.
- **Luxury experience** – comfort, privacy, and efficiency.
- **Trusted expertise** – 60 years of delivering safe and reliable charter flights.

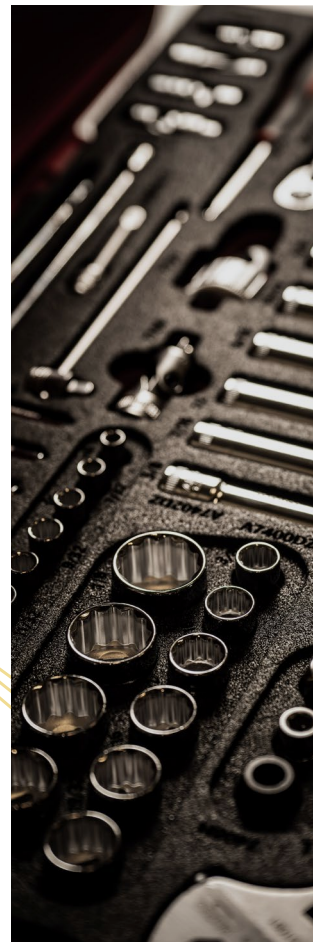

Whether for business or leisure, we make your time in the air as valuable as your time on the ground.

INTERNATIONAL TRIP SUPPORT

We provide global flight support services to business aviation operators, adding value every step of the way by leveraging our network to create a seamless experience for our customers'

- **24/7 flight operations centre**
- **End-to-end planning** – permits, slots and fuel arrangements.
- **On-the-ground support** – handling, transport and accommodation.
- **Concierge services** – tailored solutions for every client.

Our global experience ensures efficiency, compliance, and peace of mind on every flight.

MAINTENANCE

TAG Aviation Engineering provides world-class maintenance and cleaning services at either of our permanent base stations in Hong Kong and Macau, or across the APAC region with our Mobile Repair Party teams.

- **Dedicated to providing clients** – with a wide range of maintenance, technical and services.
- **Skilled international engineers** – ensuring safety and performance.
- **Cleaning services** – with renown reputation.

We keep your aircraft flying at its best, so your operations remain smooth and reliable.

TAG MACAU FBO

Opened in 2019, the TAG Macau FBO is the leading gateway to the region, offering world-class facilities and discreet, round-the-clock service.

- **VIP lounges** – designed for privacy and comfort.
- **On-site customs & immigration** – for seamless travel.
- **Flight planning and technical support** – available 24/7.

Combining modern design with TAG's renowned service standards, TAG Macau FBO sets a new benchmark for the Asia-Pacific region.

TAG GLOBAL TRAINING

Founded in 2007, TAG Global Training is an award-winning centre of excellence for aviation professionals. Based at Farnborough Airport, we train over 2,000 pilots and crew each year.

- **Comprehensive training** – safety, service, and leadership.
- **TGT Climb** – tailored eLearning courses for crews worldwide.
- **Ground courses** – advanced knowledge for aviation professionals.

With decades of operational expertise behind TGT, we deliver training that builds confidence, develops skills, and enhances performance.
